

User manual

SELF-SERVICE ORDERING SYSTEM

This is a self-service ordering system in which customers can order food, pay online, register members and collect virtual stamps. Addition, Restaurant owner can change the menu, generate reports and other functions.

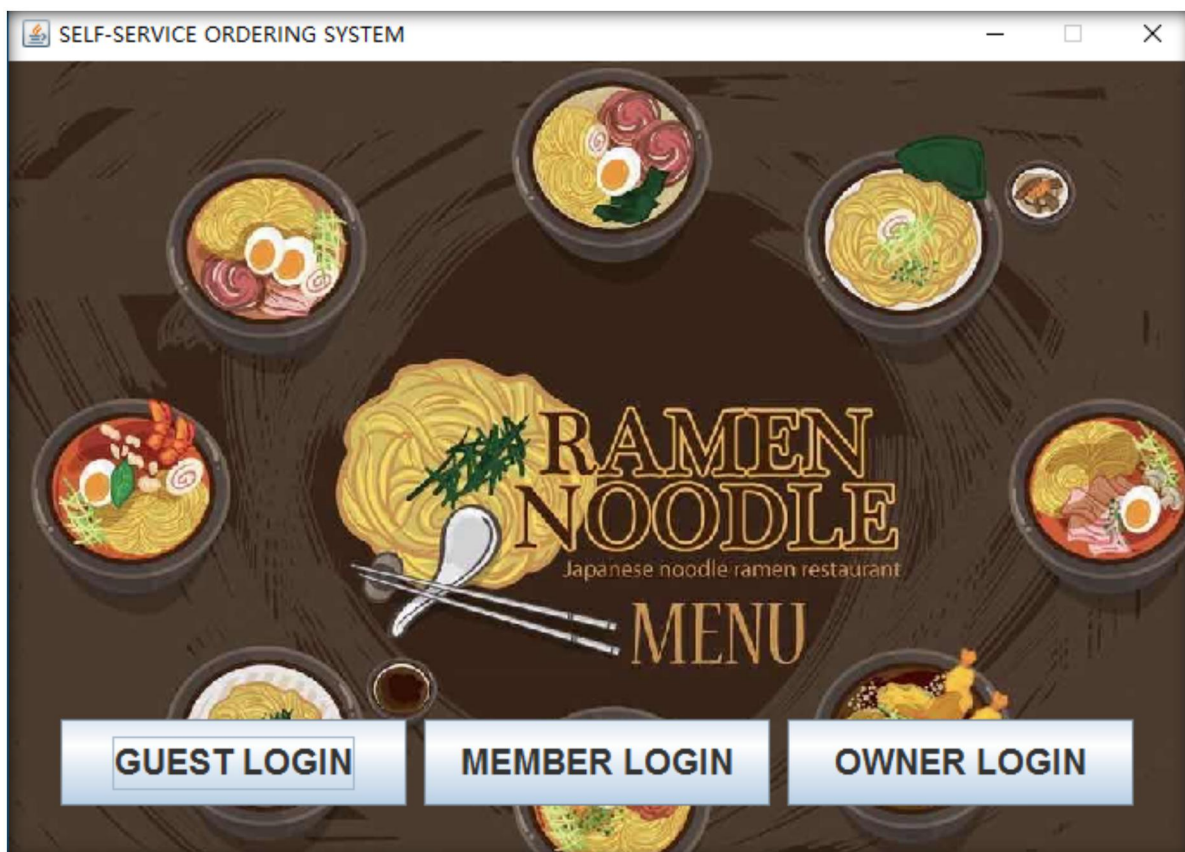

一、Welcome to self-service ordering system

1、At first page, customers have two choices

①*Guest login*: They can directly enter the ordering page.

②*Member login*: They can choose to register as a member or log in with their ID to perform following operations.

③*Restaurant owner login*: Restaurant owners can access the management interface

2、Choosing Guest Login

① Go directly to the order page and choose some free side dishes according to your preference and you can pay extra for some side dishes

4、Member payment

Unlike regular customers, members have virtual stamps, so you can pay with them. After payment, the virtual stamps will return zero or plus one

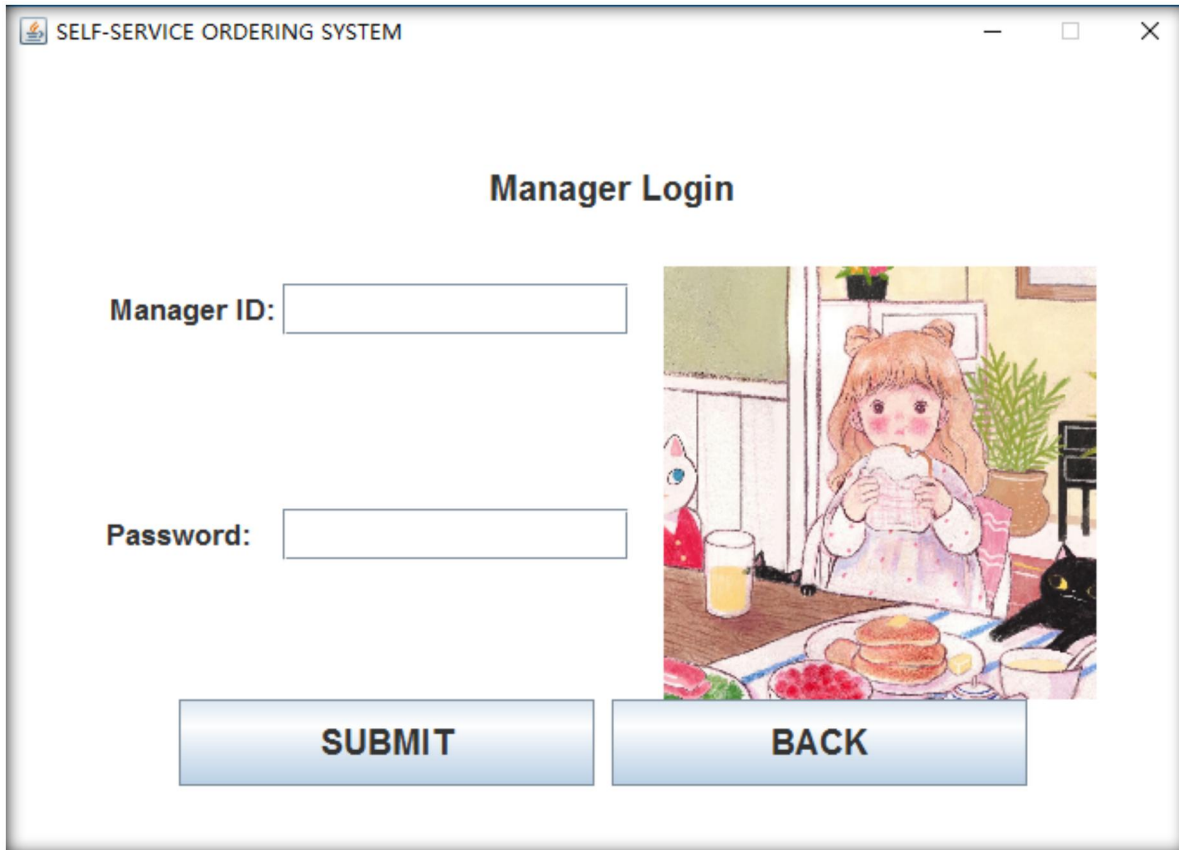

三、Management system

There is a separate management system for restaurant owners

1、Restaurant owner login

Enter the correct user name and password to log in to the administrator interface

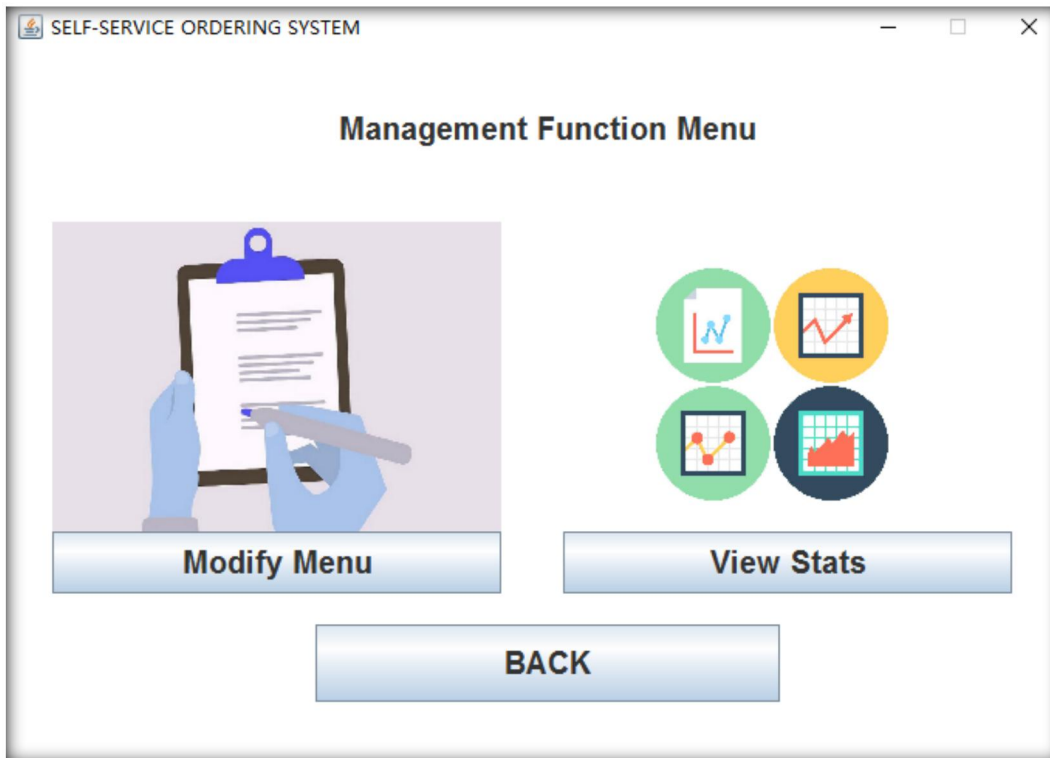

(user name: Miyazaki password: 123456)

The screenshot shows a web browser window titled "SELF-SERVICE ORDERING SYSTEM". The main heading is "Manager Login". Below this, there are two input fields: "Manager ID:" and "Password:". To the right of these fields is a colorful illustration of a young girl with orange hair in pigtails, wearing a pink and white polka-dot nightgown, sitting at a table and eating pancakes. On the table are also a glass of orange juice, a plate of strawberries, and a small black cat. At the bottom of the login area, there are two blue buttons: "SUBMIT" and "BACK".

2、*login successfully*

After successful login, there are two functions that can be operated

① *Modify Menu*

Restaurant owners can change the price of the menu items or choose to put them on or off the shelves

Item Name	Price	Availability
Extra Nori	1	YES
Extra boiled egg	1	YES
Bamboo shoots	1	YES
Extra Chashu	2	YES

Item Name	Price	Availability
Extra Nori	1	YES
Extra boiled egg	1	YES
Bamboo shoots	1	YES
Extra Chashu	2	YES

② *Visualize a report*

The restaurant owner can get a visual report showing the quantity of all dishes sold this week, which helps the owner to arrange the price and quantity of dishes

**View Status: Sales in the past week.**
